WHY USE A LABOUR HIRE AGENCY?

Using a Labour Hire agency is a cost-effective solution for businesses. All RAW_{PERSONNEL}'S casual staff are employed by RAW_{PERSONNEL}, your business acts as a temporary "Host" employer for as long as you require them. The process commences once your business places a new request with RAW_{PERSONNEL}, then we take care of the advertising, shortlisting, interviewing, pre-employment screening, and selection before a candidate starts, along with the payroll, superannuation, workcover, and administration for your business once they commence. This takes the stress of hiring away from you, allowing you to concentrate on your normal business functions.
